

## SEND Information Report (Local Offer)

### Parent Information

### Special Educational Needs and Disabilities Information Report 2025/2026

#### Introduction

All Manchester Local Authority (LA) maintained schools have a similar approach to meeting the needs of pupils with Special Educational Needs and /or disabilities and are supported by the LA to ensure that all pupils, regardless of their specific needs, make the best possible progress in school.

All schools are supported to be as inclusive as possible, with the needs of pupils with Special Educational Needs and Disabilities (SEND) being met in a mainstream setting wherever possible.

The broad areas of SEND need are:

- Communication and Interaction.
- Cognition and Learning.
- Social, Emotional and Mental Health Difficulties.
- Sensory and/or Physical.

#### What is the Local Offer?

The LA Local Offer

The Children and Families Bill was enacted in September 2014. From this date Local Authorities (LA) and schools are required to publish and keep under review information about services they expect to be available for children and young people with special educational needs (SEN) aged 0-25. The LA refer to this as the 'Local Offer'.

The intention of the Local Offer is to improve choice and transparency for families. It will also be an important resource for parents in understanding the range of services and provision in the local area.

#### Manchester's Local Offer

Information about Manchester's Local Offer for Children and Young People with SEN and disabilities is available from their website.

#### What is the Special Education Needs Information Report?

The Special Education Needs Information Report

Schools utilise the LA Local Offer to meet the needs of SEND pupils as determined by school policy and the provision that the school is able to provide. Schools refer to this as 'The Special Education Needs Information Report.

### Questions

Please read the 13 questions below for more information about the Special Education Needs Information Report for St Kentigern's RC Primary.

#### Question 1

Who are the best people to talk to in this school about my child's difficulties with learning/ Special Educational Needs or disability (SEND)?

## **The Class teacher**

### **Responsible for:**

- Checking on the progress of your child and identifying, planning and delivering any additional help your child may need (this could be things like targeted work, additional support) and letting the Special Education Needs/Disabilities Coordinator (SENDCo/Inclusion Manager) know as necessary.
- Writing Pupil Progress targets/ Individual Education Plans (IEPs), and sharing and reviewing these with parents at least once each term and planning for the next term. Personalised teaching and learning for your child as identified on school's provision map.
- Ensuring that the school's SEND Policy is followed in their classroom and for all the pupils they teach with any SEND.
- **The SENDCos – Mrs Malone and Miss Dempsey**

### Responsible for:

- Developing and reviewing the school's SEND policy
- Coordinating all the support for children with special educational needs or disabilities (SEND)
- Ensuring that you are
  - i) involved in supporting your child's learning
  - ii) kept informed about the support your child is getting
  - iii) involved in reviewing how they are doing.
- Liaising with all the other people who may be coming into to school to help support your child's learning e.g. Speech and Language Therapy, Educational Psychology, OT, Social Communication Pathway etc.
- Updating the school's SEND register (a system for ensuring that all the SEND needs of pupils in this school are known) and making sure that records of your child's progress and needs are kept.
- Providing specialist support for teachers and support staff in the school so that they can help children with SEND in the school to achieve the best progress possible.

## **The Headteacher - Mrs Muldoon**

### Responsible for:

- The day to day management of all aspects of the school, this includes the support for children with SEND.
- The Headteacher will give responsibility to the SENDCo/Inclusion Manager and class teachers, but is still responsible for ensuring that your child's needs are met.
- The Headteacher must make sure that the Governing Body is kept up to date about issues relating to

### SEND. **The SEND Governor - Mrs H Williams**

### Responsible for:

- Making sure that the necessary support is given for any child who attends the school, who has

SEND. **School contact telephone number - 0161 224 6842**

## **Question 2**

### **What are the different types of support available for children with SEND in our school?**

**a) Class teacher input via excellent targeted classroom teaching (Quality First Teaching).**

**For your child this would mean:**

- That the teacher has the highest possible expectations for your child and all pupils in their class.
- That all teaching is built on what your child already knows, can do and can understand.
- Different ways of teaching are in place so that your child is fully involved in learning in class. This may involve things like using more practical learning.
- Specific strategies (which may be suggested by the SENDCo) are in place to support your child to learn.
- Your child's teacher will have carefully checked on your child's progress and will have decided that your child has a gap or gaps in their understanding/learning and needs some extra support to help them make the best possible progress.

**Specific group work**

Intervention which may be:

- Run in the classroom or outside.
- Run by a teacher or a Teaching Assistant (TA).
- Specialist groups run by outside agencies e.g. speech and language

This means they have been identified by the SENDCo /Inclusion Manager/ class teacher as needing some extra specialist support in school from a professional outside the school. This may be from:

Local Authority central services such as the Sensory Service (for students with a hearing or visual need)

Outside agencies such as the Education Psychology Service (EPS).

**What could happen:**

You may be asked to give your permission for the school to refer your child to a specialist professional e.g. a Speech and Language Therapist or Educational Psychologist. This will help the school and yourself understand your child's particular needs better and be able to support them better in school.

The specialist professional will work with your child to understand their needs and make recommendations as to the ways your child is given support.

**b) Specified Individual support**

This type of support is available for children whose learning needs are, severe, complex and lifelong.

This is usually provided via a Statement of Special Educational Needs or an Education, Health and Care Plan (EHCP). This means your child will have been identified by professionals as needing a particularly high level of individual or small group teaching.

This type of support is available for children with specific barriers to learning that cannot be overcome through Quality First Teaching and intervention groups ("Including All Children" documentation from LA).

Your child will also need specialist support in school from a professional outside the school. This may be from: Local Authority central services such as the Sensory Service (for students with a hearing or visual need) Outside agencies such as the Speech and Language therapy (SALT) Service

**For your child this would mean:**

- The school (or you) can request that Local Authority Services carry out a statutory assessment of your child's needs. This is a legal process which sets out the amount of support that will be provided for your child.

- After the request has been made to the 'Panel of Professionals' (with a lot of information about your child, including some from you), they will decide whether they think your child's needs (as described in the paperwork provided), seem complex enough to need a statutory assessment. If this is the case they will ask you and all professionals involved with your child to write a report outlining your child's needs. If they do not think your child needs this, they will ask the school to continue with the current support.
- After the reports have all been sent in, the 'Panel of Professionals' will decide if your child's needs are severe, complex and lifelong. If this is the case they will write a Statement of Special Educational Needs or an Education Health Care Plan (EHCP). If this is not the case, they will ask the school to continue with the current level of support and also set up a meeting in school to ensure a plan is in place to ensure your child makes as much progress as possible.
- The Statement or EHC Plan will outline the number of hours of individual/small group support your child will receive from the LA and how the support should be used and what strategies must be put in place. It will also have long and short term goals for your child.
- The additional adult may be used to support your child with whole class learning, run individual programmes or run small groups including your child.

### **Question 3**

#### **How can I let the school know I am concerned about my child's progress in school?**

If you have concerns about your child's progress you should speak to your child's class teacher initially.

- If you continue to be concerned that your child is not making progress, you may speak to the Special Education Needs/ Disabilities Coordinator (SENDCo) Mrs Malone or Miss Dempsey.
- The school SEND Governor can also be contacted for support.

### **Question 4**

#### **How will the school let me know if they have any concerns about my child's learning in school?**

If your child is identified as not making progress, the school will set up a meeting to discuss this with you in more detail and to:

- listen to any concerns you may have
- plan any additional support your child may need
- discuss with you any referrals to outside professionals to support your child's learning

### **Question 5**

#### **How is extra support allocated to children and how do they progress in their learning?**

The school budget, received from Manchester LA, includes money for supporting children with SEND.

- The Head Teacher decides on the deployment of resources for Special Educational Needs and Disabilities in consultation with the school governors, on the basis of needs in the school.
- The Head Teacher and the Inclusion manager/ SENDCo discuss all the information they have about SEND in the school, including:
  - the children getting extra support already
  - the children needing extra support
  - the children who have been identified as not making as much progress as would be expected and decide what resources/training and support is needed.
  - the child's view will be sought informally and for review meetings; this may not always be possible with very young children / children with delayed development.

- Schools identify the needs of their pupils on a school provision map which for SEND pupils identifies all resources/training and support are reviewed regularly and changes made as needed.

### **Question 6**

#### **Who are the other people providing services to children with SEND in this school?**

##### **School provision**

- Teaching Assistants / Learning Support
- Breakfast club / After school club
- School clubs
- Attendance Officer

##### **Local Authority Provision delivered in school**

- Autism Outreach Service
- Educational Psychology Service
- Sensory Service for children with visual or hearing needs

##### **Health Provision delivered in school**

- Speech and Language Therapy
- School Nurse
- Occupational Therapy
- Physiotherapy
- CAMHS

### **Question 7**

#### **What training have staff had, or are undertaking, to support children with special needs?**

The school provides training and support to enable all staff to improve the teaching and learning of children, including those with SEND

- Skills audits are carried out and a rolling programme of training is delivered by the SENDCO or outside services.
- Shadowing/peer observation regularly takes place.
- Medical training to support pupils with medical care plans such as epilepsy, diabetes, and epi-pen training.
- Individual teachers and support staff attend training courses run by outside agencies that are relevant to the needs of specific children in their class.

### **Question 8**

#### **How will the teaching be adapted for my child with SEND?**

Class Teachers plan lessons according to the specific needs of all groups of children in their class, and will ensure that your child's needs are met.

- Support staff, under the direction of the class teacher, can adapt planning to support the needs of your child where necessary.
- Specific resources and strategies will be used to support your child individually and in groups.
- Planning and teaching will be adapted on a daily basis if needed to meet your child's learning needs.

### **Question 9**

#### **How will we measure the progress of your child in school?**

Your child's progress is continually monitored by his/her class teacher.

- His/her progress is reviewed formally every half term in reading, writing and numeracy.
- At the end of each key stage (i.e. at the end of year 2 and year 6) all children are required to be formally assessed using Standard Assessment Tests (SATs). This is something the government requires all schools to do and are the results that are published nationally.
- Children may have an IEP / personal targets which will be reviewed, and a future plan made.
- Teachers meet with SENDCo on a half termly basis as part of SEND pupil progress meetings.
- The progress of children with a statement of SEND/ EHC Plan is formally reviewed at an Annual Review, with all adults involved with the child's education.
- The SENDCo will also check that your child is making good progress within any individual work and in any group that they take part in.

### **Question 10**

#### **What support do we have for you as a parent of a child with a SEND?**

The class teacher is regularly available to discuss your child's progress or any concerns you may have and to share information about what is working well at home and school so similar strategies can be used.

- The Inclusion Manager/ SENDCo is available to meet with you to discuss your child's progress or any concerns/worries you may have.
- All information from outside professionals will be discussed with you with the person involved directly, or where this is not possible, in a report.
- Personal progress targets/IEP's will be reviewed with your involvement.
- Homework will be adjusted as needed to your child's individual needs.
- A home/school contact book may be used to support communication with you, when this has been agreed to be useful for you and your child.

### **Question 11**

#### **How accessible is the school environment?**

- The school site is largely wheelchair accessible
- We have disabled toilets that are large enough to accommodate changing and suitable for wheelchair users.
- There is a shower situated in the Nursery class.
- Visual timetables are used in all classrooms
- Extra curricular activities are accessible for children with SEND.

### **Question 12**

#### **How will we support your child when they are leaving this school? OR moving on to another class?**

We recognise that transitions can be difficult for a child with SEND and take steps to ensure that any transition is as smooth as possible.

#### **If your child is moving child to another school:**

- We will contact the school SENDCO and ensure he/she knows about any special arrangements or support that need to be made for your child.
- We will make sure that all records about your child are passed on as soon as possible.

**When moving classes in school:**

- Information will be passed on to the new class teacher in advance and in most cases, a planning meeting will take place with the new teacher. IEP s will be shared with the new teacher.
- If your child would be helped by a book to support them understand moving on then it will be made for them.

**In Year 6:**

- The SENDCo will discuss the specific needs of your child with the SENDCo of their secondary school.
- Your child will do focused learning about aspects of transition to support their understanding of the changes ahead.
- Where possible your child will visit their new school on several occasions and in some cases staff from the new school will visit your child in this school.

**Question 13**

**What support will there be for my child’s overall well-being?**

Support we can provide in school may include:

- nurture groups
- social skills and friendship groups
- ‘pupil voice’
- behaviour programmes including rewards and sanctions.
- Medicines can be administered in school with signed parental permission. There are nominated first aiders in school and several members of staff have pediatric first aid qualifications. If your child has significant medical needs you will need to speak to the Inclusion Manager to discuss how we can best support you and your child. This might include drawing up a Health Care Plan.

The class teacher has responsibility for the overall well-being of every child in their class. If you have any worries speak to the class teacher first. If further support is needed the class-teacher will speak to the Inclusion Manager.

**Question 14.**

**Who can I contact for further information?**

**Contact details**
